Suggestions to change the Konkan Railway route in Goa

337. SHRI PRAMOD MAHAJAN: Will the Minister of RAILWAYS be pleased to state:

(a) whether any suggestions are made to change the present and proposed railway route of Konkan Railway in Goa sector; and

(b) if so, what are the suggestions and Governments reaction thereon?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS SHRI K. C. LENKA): (a) Yes, Sir. Representations were received from certain quarters for change in alignment.

(b) The matter was examined by a One-Man Expert Committee which recommended that the alignment proposed by the Konkan Railway Corporation and approved by the Goa State Government should be adopted except in the case of 13 Km length between Margao and Balli where it bisects the villages of Navelim, Dramapur, Salzona and Cuncolim. The alignment for this section from Margao to Balli will be shifted eastwards along the foot hills even though it would involve construction of two tunnels and is slightly longer in length. The work is being progressed accordingly.

Railway Accidents

338. SHRI MENTAY PADMANABHAM: Will the Minister of RAILWAYS be pleased to state:

(a) whether it is a fact that there has been a tremendous increase in the rate of Railway accidents during 1992;

(b) the details of accidents, Zonewise in this period;

(c) the number of casualities and the quantum of compensation paid to them in 1992; and
